Mom ?

Kim,

I'm so very glad you began coming <sup>reserved</sup> to Eisenhower! Of course, couldn't you have picked a more favorable time than during Band Camp? (ha, ha) But it has been a fairly good year. Remember the band bus and competitions. I'll have more! Forget English class (spelling tests, etc.) most of all - remember me!

Good luck with any little thing you want luck for! Keep up with your bassoon, clarinet, and skating. Keep in touch with Heidi! (I'll practically live together over the summer.) Call me sometime! I'm glad we got to be friends! I hope we stay that way in the coming years!

Love always,  
Celia

# Principal

You will be handling, in the years ahead, responsibilities and demands thrust at you by others in this modern world. You will reach another milestone upon graduation and will be expected to wisely use what you have learned. It is my sincere belief that your educational and social experiences at Eisenhower will enable you to successfully handle many, if not all, of the difficulties confronting you.

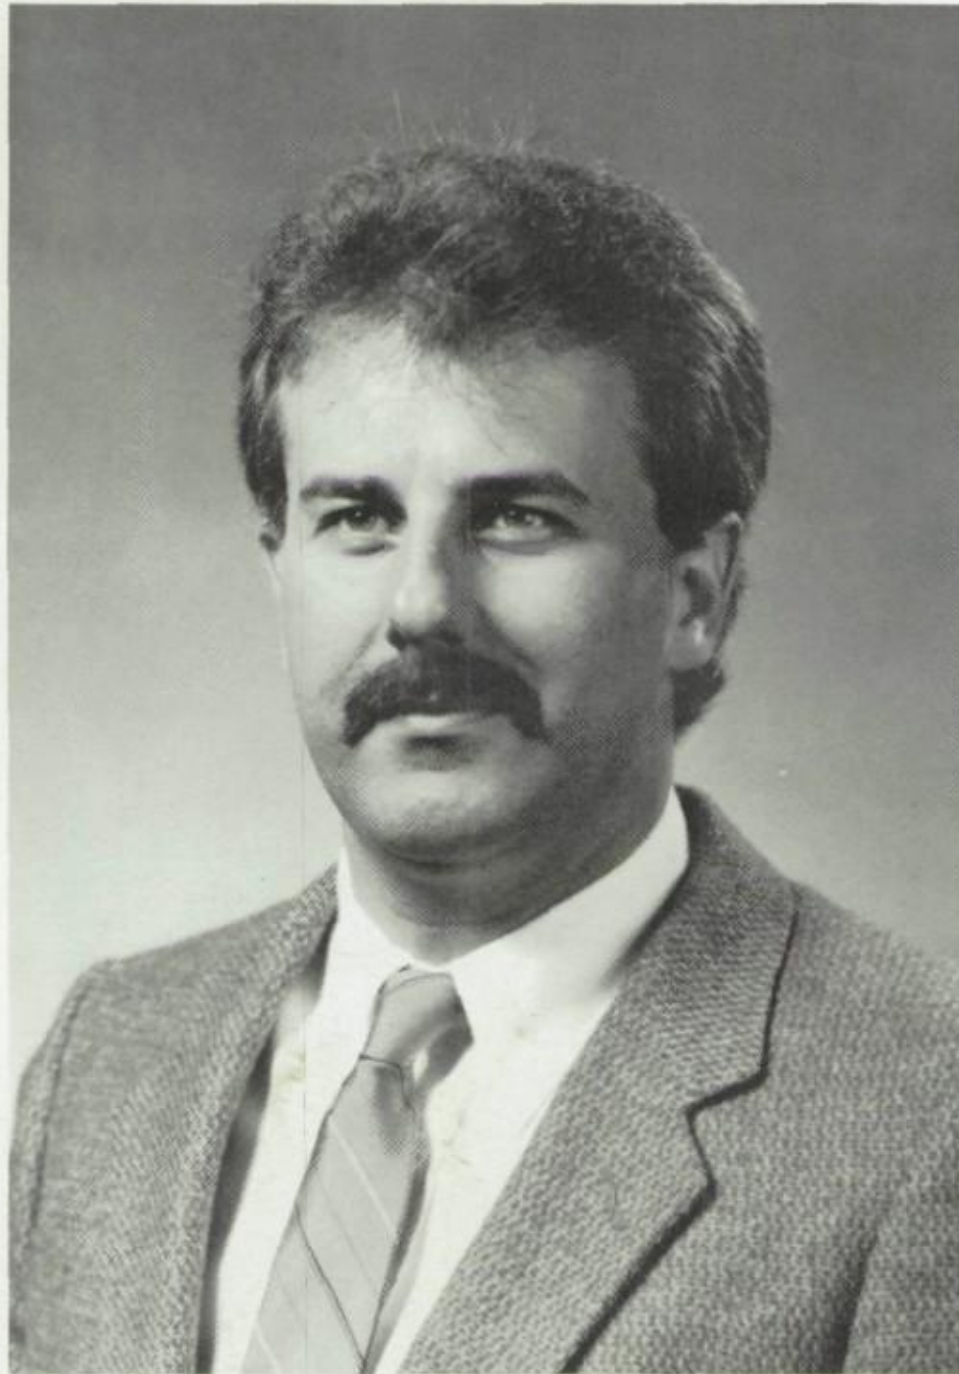

I have considered you as a part of a family grown and ready to try your wings. It is now the time for you to become a giver instead of a taker. It is the time for you to stand ready to contribute your share in making this a better society for all people.

I am proud of our graduating seniors. I am proud of your accomplishments, achievements, and I am equally proud to say you were students of Eisenhower High School, Class of 1986. Good luck and best wishes.

Sincerely,  
John M. Neese  
Principal

## Assistant Principal

The graduating class of 1986 will be the first class I've been associated with as the assistant principal at E.H.S. We have shared a year full of joy and responsibility. Receiving your diploma has involved many hours of study and hard work on your part. The dedication you have shown has helped you achieve a major goal in life. You should be proud of this accomplishment. The prestige of graduation, however, carries the burden of responsibility. Expectations will be placed on you by family, community and nation.

We hope you have taken advantage of every opportunity provided you during your high school years so that you can meet the challenges of life. The years at E.H.S. should have helped you lay the academic and social foundation you will need to grow and prosper in today's changing society. Those of you who have accepted the responsibilities and taken advantage of the opportunities will be able to cope with the challenges of the future.

To the graduating class of 1986, good luck to you whatever you do and may the goals and ambitions you have set for yourself become realities.

Best wishes always.

Darrell Jaskolka

The 1985 football season was one of many highs and lows. The highs were large player turnout, continued improvement in win-loss column, total program improvement, and some very good individual performances in certain games, particularly Sheffield. The lows of the season came when we experienced a number of injuries to some key people before and during the season which, most assuredly, affected our overall record. However, teams must accept the bad with the good and it was a credit to certain players who stepped in, took charge, and allowed us to continue striving for our season goals and to build our program for the next year.

Congratulations to all the young men who participated, sacrificed, and dedicated themselves to the Eisenhower High School Knights 1985 football team! Coach Danielson and the football staff

## VOLLEYBALL

The 1985 girls volleyball team was the most successful volleyball team in the history of the school as they completed the regular season undefeated with a record of 15-0.

In addition they reached the quarter finals of the 15 team Ft.

Lebeouf Invitational Tournament, won the 12 team Rocky Grove Invitational Tournament, won the 12 team Warren County Invitational Tournament, placed 2nd in the 12 team Meadville Invitational Tournament, and made a strong showing in the District 10 Tournament by placing 4th. The only losses in tournament play were to top teams in the state.

Seven girls earned post season honors by being selected to the TCAC All Star Team. Julie Firth, Amy Donaldson and DeeAnne Campbell were selected to the first team. Mary Peterson and Anna Irwin second team, Jackie Hultman and Wendy Larson Honorable Mention.

The 1985-86 Lady Knights varsity consists of 11 girls; 7 seniors and 4 juniors. The J.V.'s consist of 9 sophomores, 9 freshmen.

The varsity has had its ups and downs. We are presently 11-5 and second in the league to Cranberry. We will be in the district play-offs of the 4th consecutive year.

The Jr. High just started and I am optimistic about Jr. High because there are a lot of girls out.

This season should be more successful than last. Eight letter winners should be returning and of these, three are school record holders. Wendy Larson, Mary Peterson, and Julie Firth return in the record 4x100 meter relay. Julie Firth has the record in both the 110 high hurdles and 300 meter intermediate hurdles.

Lynn Byerly and Lisa DeVore are returning letter winners in the field and Beth Smith, Lisa Rouse and Martha Charepoo in middle distances and distance runs.

We have no losers as last year every girl achieved personal best performances and we can anticipate similar results this season.

much when you're away again! I love you to always be here  
forever and ever. I don't want you to always be here  
Don't worry if people talk. They're just jealous!  
I wish I looked like you! You should always stay the
